

WHAT IS UNSTOPPABLE SUCCESS?

Unstoppable Success is a **system** that teaches you how to **maximize your potential** in life and **reach the top** in business.

This book identifies several common traits that are consistently present in those who **accomplish the most** in life:

Unstoppable Success is designed to:

- Give you the **motivation** needed to reach your potential
- Help you establish a personalized system for **reaching your goals**
- Develop an individualized priority list by which to assure your **most important goals are accomplished**

WHY MIKE?

Dr. Mike Mason is the clinic director of The Chiropractic Care Center, PLLC, where he has helped thousands of patients get well and stay well through natural healthcare. He is also the founder of Unstoppable Business Consulting, a seminar and coaching program geared towards motivating and educating both current and future business owners. He and his team of professionals are committed to helping you grow your business and expand your life.

A former Division 1 All American athlete and high school wrestling coach, Mike Mason is an expert at maintaining and adapting motivation. He transferred his competitive sports drive to the academic arena and later to the financial and business world. He lectures on health and motivation to sports and business groups. He resides in Bridgeport, West Virginia with his wife Natalie and their children, Rachel and Tyler.

Mike began his quest for becoming unstoppable in sports. He took his motivation to West Virginia University where he became a 2-time NCAA Division 1 All American. He graduated with honors from WVU with a degree in Exercise Physiology before matriculating Life University in Marietta, GA where he earned his doctorate of Chiropractic. Graduating Summa Cum Laude, he returned to West Virginia to open his first of two Chiropractic practices. Quickly growing one of the largest Chiropractic clinics in the country, Mike then opened his second clinic in Morgantown, West Virginia in 2008. His state-of-the-art office is equipped with the most up-to-date Chiropractic technology and continues to be one of the premier Chiropractic clinics in the country.
